Dear Labor-Management Conference Supporter:

It is with extreme pleasure we invite you to participate in the 25th Anniversary Kentucky Labor-Management Conference. We will hold this year's Conference on September 10, 11, and 12, 2002, at Kentucky Dam Village State Resort Park in Gilbertsville, Kentucky.

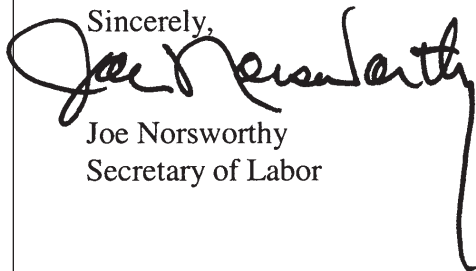

The Kentucky Labor-Management Conference has been going strong and growing since 1977, with representatives from labor, management, government, and academia coming together to discuss matters of **mutual** importance in a relaxed atmosphere that is conducive to **positive** communications. Kentucky is nationally recognized as a leader in the promotion of labor-management cooperative processes which is key to economic development in the Commonwealth. **Governor Paul E. Patton strongly supports this effort** and plans to attend to help us celebrate 25 years of Labor-Management cooperation in Kentucky.

Enclosed is basic information on registration, hotel accommodations, and conference activities. Since lodging assignments are made on a first-come, first-served basis, it is to your advantage to forward your registration as soon as possible. In order to process your registration, you must **completely** and **accurately** fill out all sections of the registration form and return **all three copies** along with your registration fee of \$195. Registration received after August 16, 2002 will be \$295. **Please remember your registration form cannot be processed without your registration fee.** Checks or money orders are the **only** acceptable forms of payment. Please contact the Office of Labor-Management Relations and Mediation at 502-564-3070 if you have any questions.

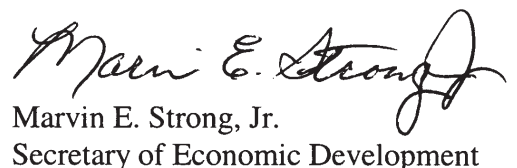

Additionally, we are pleased to announce that the Kentucky State Apprenticeship Steering Committee will be joining us at Kentucky Dam Village again to host their Conference, on September 8 and 9, 2002. If you are interested in attending this Conference, please contact Robin McQueary at 502-564-3070.

The Labor and Economic Development Cabinets continue to be partners in hosting the Kentucky Labor-Management Conference. The success of this event depends largely upon your support and enthusiasm. We look forward to seeing you in September!

Sincerely,

Joe Norsworthy
Secretary of Labor
